

10 reasons your business needs Drake PictureTalk **NOW**

You've heard the pitch from every Web conferencing provider - save money, save time, meet online. What you haven't heard is how Drake PictureTalk leads the pack on being the most cost effective, versatile, and Web conferencing tool available today.

1. We offer the lowest entry point available today: \$24.95 for a 10 seat room. No restrictions or limitations. That's unlimited meetings every month for one low price. A **free 14 day trial** can be set up online at www.picturetalk.com or by one of our sales reps (1 888 372 5373 and press '2' for Sales).
2. Need to record your meeting and make it available right away? You can record some or your entire Drake PictureTalk meeting and play it back immediately.
3. No download to attend meetings. With a Flash plug-in installed, attendees can use our very cool Flash interface to attend a meeting and require no downloads.
4. Have a PC or Mac? No worries because PictureTalk functionality is the same for either. Unlike our competitors, we develop for both. As one of our happy Mac clients wrote to us "PictureTalk remains far ahead of the pack, continuing to offer and expand a service that feels like it was developed for the Mac."
5. Speaking of Apple, PictureTalk offers its customers the ability to podcast a recorded meeting in a just a few clicks, no extra software or hardware required.
6. Our patented Capture Frame allows you to control exactly what can be shared in a meeting. You don't have to share an entire application; you can zero in on exactly what your audience needs to see.
7. Desktop sharing comes easily to PictureTalk. In just a few clicks, your support team can have complete access to any remote desktop, offering a quick response whenever needed.
8. Security is important to PictureTalk and that's why, among our many security features, we have included the option of applying SSL 128-bit encryption to any meeting you schedule.
9. Working together means collaboration and what better way to collaborate than allowing others in your meeting to make edits in the document you are sharing?
10. Behind PictureTalk is a team of sales, development and technical experts who will work with you to find the right solution. While it's a big bad Web out there, we like to think of our colleagues and clients as family.
11. We know, we promised you 10 reasons but our price is so great we had to mention it twice. **\$24.95 for a 10 seat room. No restrictions or limitations.** That's Unlimited meetings, every month for one low price!
